Re: United States v. Thomas Farese
Criminal Docket No. 12-94 (FB)

Dear Judge Block:

In light of the Court's prior Order granting the defendant Thomas Farese's motion for bail pending trial, which was granted over the government's objection, the government does not now object to the defendant's motion, dated July 19, 2012, for continued bail in the event that the United States Parole Commission grants bail to the defendant.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
